

Minutes of meeting

Date 8 th September 2018 on the World Championship Naviga Classes C
Place; Galati - Romania

Dieter Matysik; opens the meeting with a welcome to everyone.
Representatives from 15 countries are present.

Martin van Gelderen; is satisfied with the good cooperation with the organization, the pleasant atmosphere, etc.

Class C8; started in 2014 with a question, in 2016 with a try out and is now a full-fledged class.
But first a statement to who it's concerns, a particularly unfriendly comment to the organization

Point 2; Questions in general?

Vladimir Zhornik; asks whether a decision has already been taken to increase the number of participants per class for the organizing country. A question about this has been asked on the previous WM in Kalinigrad.

Martin van Gelderen; This is a good time to conclude this and proposes to increase the number from 15 to 20. A majority of those present agreed with this. It will be published on the Naviga site.

Dmitrij Kalmykov; suggests a class change for C 6 and C 7; sub class A for scale up to 1: 150 and B for other scale?

Martin van Gelderen; I am not in favour of many classes, First I would like to research how many models this concerns in previous championships, and with which results. Later we will discuss this again. Moreover, it is no problem for a good judge to assess various scales.

Election of section leader; Dieter Matysik ; suggests; Martin van Gelderen for a further period of 2 years, is satisfied with his work, important also the good cooperation and good communication. There were no other candidates.

Invites the attendees to do the ballot in writing or by hand, no one indicated to do so in writing and Martin van Gelderen has been re-elected for a new term.

Martin van Gelderen; thanks everyone for the trust.

Dieter Matysik .; provides general information, next World Championship 2020 will take place in Croatia

The financial situation of Naviga is worrisome; this will be discussed at the general meeting.

Thanks everyone for their presence and closes the meeting
